You may fire off laser probes to determine the location of Zorph warships. You have a number of weapons at your disposal including quantum rays, antimatter missiles and, for desperate situations, doomsday torpedoes. Your ship is protected by shields against any attack, but you must be careful to maintain your energy supply. Any Zorphs in your sector will attack you and each attack will use up some of your reserve energy. If your energy is depleted, your shields fail and the next Zorph attack destroys you. You can replenish your energy reserve by returning to a friendly base. "Good morning," I said and showed him my ID. He blanched. His eyes became marbles brimming with terror. He was about to panic, tensing to slam the door. I smiled my friendly, disarming smile and went on as if I hadn't noticed. "I'm inquiring about a man named Andrew Detweiler." The terror trickled from his eyes, and I could see his thin chest throbbing. He gave me a blank look that meant he'd never heard the name.. "Again, that's not what you look like; it's what you feel like.".More reasonably, it could be argued that the clone of a great human being would retain his genetic equipment and, therefore, would be another great human being of the same kind. In that case, the chief use of cloning would be to reproduce genius.."I'm afraid I'm skeptical, too," Lang said. The first piece is at the bottom of a luminous pool in the center. But it is so grey there that the grey man would blend completely in with the scenery and never get out again. Up this one is a mountain so high that the North Wind lives in a cave there. The second piece of the mirror is on the highest peak of that mountain. It is so windy there, and the grey man is so thin, he would be blown away before he was halfway to the top. Two leagues short of over there, where the third piece is, there stretches a

garden of violent colors and rich perfume where black butterflies glisten on the rims of pink marble fountains, and bright vines weave in and about. The only thing white in the garden is a silver-white unicorn who guards the last piece of the mirror. Perhaps the grey man could get that piece himself, but he will not want to, I know, for lots of bright colors give him a headache." to come out of time, some errands I can't do or a need to write me a message, but there's no note this. Outside, the clouds hung so low the top of the ship's tallest mast threatened to prick one open. The wind tossed about in Amos* red hair and scurried in and out of his rags.
